

CREW PRESENTS A **MEMBERS ONLY** SERIES:

# 20/20 VISION

*"In anticipation of the 30th Anniversary of CREW Orange County next year, I want to introduce dynamic speakers that will assist each of us to DIVE DEEP in a three part series over the next few months. My vision is for each of us to be inspired both personally and professionally as we strive to advance in the competitive commercial real estate industry. This is a goal I have been focused on, and I look forward to sharing it with an intimate group of CREW members."*
